10.10-10.20 Clarification of the Social bookmarking assessment / Ref Works – deadline 1st April – time for questions

10.20-10.40 Learning theory introduction – why it matters to think about theory
   Laurillard’s Conversational Framework
   Siemans and Downes theory of Connectivism
   - what they know already about learning theories – post any thoughts to the TEAP padlet: https://padlet.com/secker_jane/TEAP2

10.40-10.55 – Learning Design – introduction to the ABC Learning Design approach
   • Introduction to the learning design activity (wiki activity)

10.55-11am – Any questions

Activities to carry out online 11am – 3pm

1. Learning Theories – watch the two videos on Laurillard’s Conversational Framework and Connectivism
   • Laurillard’s video: https://youtu.be/HEwuIKEKxfE
   • Connectivism video: https://www.youtube.com/watch?v=cFCYjm6nf40

2. Write a short forum post in the Topic 2 Learning Theories forum on one of the learning theories and how it might have changed your thinking about planning online learning in any way. Questions to consider include:
   • What is the role of the tutor?
   • What are the expectations of students?
   • Post in the Learning Theories discussion forum: https://moodle.city.ac.uk/mod/forum/view.php?id=1303793

3. Read up a bit more on the ABC Learning Design approach from the recent UCL blog post to explore the six learning types and the sort of activities that are suggested. Think about how this might help you plan your approach to redesigning a module or teaching session.

4. Visit Moodle and sign up to choose to join a group based on one of the learning types (not we have 5 groups not 6) As part of your Collaboration and Communication
Assessment (due 28 May) you will develop a group wiki focusing on one of 5 learning types. The choice is here:
https://moodle.city.ac.uk/mod/choice/view.php?id=1303796

5. Try about the Moodle wiki I have set up as a test:

Adobe Connect catch up session 1-1.30pm
If you have any questions or you want to talk to me about the online activities I’ll be available online during this time.

Online session 2 – Live in Adobe Connect and recorded from 3-4pm
http://city.adobeconnect.com/teap1/

15.00 – 15.10 Introduction to the afternoon - who is joining us?

15.10-15.25 Learning theories and learning design discussion – any other learning theories you’ve found? How do they underpin your approach to planning learning? Live chat (either using the text chat or audio)

Learning Design – does the ABC approach help you?
• What questions do you have?

15.25-15.55 – Shifting to online teaching discussion– what are your plans?
• What challenges do you face?
• What tools do you want to learn more about?
• How will you use your understanding of learning design and learning theories to help your planning?
• Have you had any ideas for your TEAP project in light of this?

15.55-16.00 – Where to get more help and support

After the session

Write a short blog post or a forum post and share with the group on your experiences in participating in today’s session and what you plan to follow up on after the day.

Reflect on any ideas you now have for your TEAP final project.

Post in the TEAP Discussion Forum:
